

MOMENTUM

VISION PLANNING WORKSHOP

Are you seeking mentorship and insights from like-minded business owners and entrepreneurs that know the dental industry?

Are you seeking clarity for where you want to go with your practice?

Are you working through big decisions, big changes or seeking a new approach to the way your business has run up to this point?

Whether as a first step, refresh, or refinement of your current vision, The Momentum Vision Workshop will leave you feeling clear and renewed as you pursue your ideal Practice Vision.

Led by Jess and Carrie Webber, this one-on-one planning session takes you through the clarifying of your purpose and vision for your business. Alongside their leadership team in the areas of practice management, marketing and business & team development, you will have the insights and resources of the Jameson team working alongside you to make the decisions you need to make and create a plan of action to propel you forward toward your ideal practice vision.

Jameson Momentum Vision Workshop includes:

GUIDED VISION PLANNING

- A 1.5 Day intensive workshop to dive into the core of your beliefs and vision for your practice.

ACTION PLAN AND STRATEGIC PLANNING

- Development of a tangible action plan with future goals, timelines, and outcomes.

ACCESS TO OUR TEAM OF EXPERTS

- Our team of experts has experience in every aspect of dentistry and has helped thousands of dental practices in the past 30 years.

Vision Casting. Goal Setting. Strategic Planning.

Let the Jameson leadership team help you envision, build and lead yourself and your team to the practice of your dreams. Schedule your Vision Session in Oklahoma City today.

**This experience is for doctors/business owners only and spouses if they are involved in the business or should they choose to attend.*
